

2018 PRIUSC

TOYOTA

GREAT THINGS CAN COME IN SMALL, HYBRID PACKAGES

PRIUS c WAS CREATED WITH THE BIG CITY IN MIND.

As the smallest member of the Prius family, the new 2018 Prius c makes the most out of every situation. Its low centre of gravity design and 9.6 metre turning circle not only deliver agile and responsive handling but also make parking in the most challenging of spaces incredibly easy. With its combined fuel efficiency rating of 5.1L/100 km, you can make short work getting to any destination. Complementing its refreshed sleek design is a sporty and versatile interior with smart tech and eye-catching details that will give you a stylish look that's all your own. Whether you're heading out for a night of fun or you're configuring the seats to transport all of your gear, Prius c will always make the most out of any situation. Best of all, knowing that over 85% of Toyotas sold in Canada in the last 20 years are still on the road today¹³ means you can rely on discovering the city with the Prius c for years to come.

COMFORTABLY DO IT ALL

FEATURES

- Display Audio System⁴ w/available Navigation⁵
- Multi-Information Display w/ECO Monitor
- Available Touch Tracer Display
- Backup Camera
- Push Button Start/Smart Key System
- Available Heated Front Seats w/SofTex[®] Trim
- 60/40 Split Rear Seats
- Available Power Moonroof
- Power Adjustable Heated Mirrors

GET THE MOST OUT OF EVERY DRIVE.

Your world is full of possibilities, so get comfortable as you explore them all with the 2018 Prius c. With its 5-door access and 484 litres of cargo space (behind rear seats), Prius c is flexible and versatility enough to accommodate all of your plans. The spacious interior is tailored around what is important to you with smart accents and premium materials that ensure you and your 4 passengers always travel in comfort and style. And its long list of innovative technology lets you stream your favourite playlist, connect with friends, find destinations, and even monitor your driving and fuel consumption habits.

MORE EFFICIENCY MEANS MORE FUN

ENERGY MONITOR Learn how to optimize your efficiency. The energy monitor screen displays how the hybrid system works in real time. It shows you how Prius c always employs the most efficient source of power.

EV/ECO MODE Take charge and pick your perfect drive mode. Prius c's EV Mode enables electric driving for up to a kilometre when travelling below 40 km/h. ECO Mode limits the operation of the climate control and adjusts throttle input to help maximize fuel economy and give you more moments from each kilometre.

ECO SAVINGS Provides current fuel cost as well as savings information. Just enter the fuel cost amount at the time of refueling in order to see cost information. For fuel savings, enter a prior mileage amount and see current savings information.

Toyota
Safety
Sense

WE ALL DESERVE TO
ARRIVE SAFE

At Toyota, we believe that no matter what the destination, everyone deserves to arrive safely. That's why we created Toyota Safety Sense™ (TSS)⁹ – an advanced suite of innovative safety features designed to help protect drivers, passengers, pedestrians (TSS-P only) and people in other vehicles from harm. TSS is comprised of active features such as Pre-Collision System (PCS),¹⁰ Lane Departure Alert (LDA)¹¹ and Automatic High Beams (AHB)¹² and are standard on virtually all models.* TSS represents the latest milestone in our long history of creating advancements and innovations in safety that have helped prevent crashes and protect people.

*By Autumn 2017

SAFETY BY DESIGN

PRE-COLLISION SYSTEM¹⁰ Provides collision avoidance or collision mitigation support in speed ranges where frontal collisions are likely to occur.

LANE DEPARTURE ALERT¹¹ Alerts you if you start to drift out of your lane when visible lane markings are detected.

AUTOMATIC HIGH BEAMS¹² Designed to detect oncoming and preceding vehicles' lights and depending upon the circumstances, Automatic High Beams can switch between high and low beams for you.

STANDARD FEATURES

9 Airbags¹
Toyota Star Safety System™
Driver & Front Passenger Whiplash-Injury-Lessening Seats
Tire Pressure Monitoring System
Vehicle Proximity Notification System

Prius c Technology shown in Absolutely Red.

NEW VEHICLE WARRANTY SUMMARY

– No deductibles – no transfer fees

COMPREHENSIVE COVERAGE

3 YEARS OR 60,000 KM.
This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS

5 YEARS OR 100,000 KM.
This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS

8 YEARS OR 130,000 KM.
This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION

5 YEARS/UNLIMITED DISTANCE.
This warranty covers any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

HYBRID-RELATED COMPONENTS¹

8 YEARS OR 160,000 KM.
This warranty covers repairs to hybrid-related components that are defective in material or workmanship under normal use and maintenance.

¹Includes: HV Battery, Battery Control Module, Hybrid Control Module and Inverter with Converter.

TEST DRIVE AND EARN AEROPLAN® MILES TODAY

You can earn AeroPLAN®¹⁵ Miles when you purchase, test drive, or service your vehicle at a Toyota Dealership. Speak to your Dealer for full details.
