AT TOYOTA, WE'RE MORE THAN JUST A CAR COMPANY

WE'RE A PARTNER IN THE JOURNEY TO LIVE YOUR MOST FULFILLING LIFE.

We give you the tools you need to achieve your full potential by designing our vehicles with purpose. To be as dynamic as the life you've always envisioned yourself living.

And we don't stop at meticulously designed, quality vehicles. We're pioneering alternative fuels, improving human movement, and creating meaningful community partnerships, like the one we have with our Olympic and Paralympic athletes. These initiatives demonstrate our determination to give everyone the ability to move freely through a world with constantly evolving mobility challenges, enriching that world in the process.

Alone, just a car. Together, so much more.

CHOOSE YOUR OWN ADVENTURE

THE BEST ADVENTURES IN LIFE AREN'T FOUND ON A MAP.

Toyota trucks are made for the kinds of conditions you'll find in Canada. They have been tested all over the world, in some of the toughest environments imaginable. That spirit continues with the 2019 4Runner. Even on uncharted roads, the 4Runner performs with the confidence of an SUV that's driven there a hundred times over. It offers outstanding power thanks to a 270 hp V6 engine, a reinforced body-on-frame construction, and a towing capacity of up to 2,268 kg (5,000 lb.). And with five unique models to choose from, including the Off-Road, TRD PRO and new Nightshade Package, there's a model suited for every type of explorer – the challenge is choosing what kind of adventure you want to create today.

COMFORTABLY TAKE CHARGE

YOU'VE GOT FREEDOM TO ROAM. OUTSIDE AND INSIDE.

Exploring the vast unknown requires a great amount of space for company or cargo. 4Runner's roomy interior comfortably seats up to seven passengers no matter what type of road you are on. It includes convenient features like 6" Touch Panel Display with Navigation, Backup Camera, heated front seats, front and rear 12V power outlets for charging personal electronics, and plenty of storage options, including 2,500 litres (88.3 cu.ft.) of cargo space (behind the front seats). With soothing materials and textures, and advanced tech all at your fingertips, you'll be fully prepared for whatever comes your way.

PROVEN TOUGHNESS

An adventure spent planning every next move isn't an adventure. That's why we've thoughtfully engineered the 2019 4Runner for every unpredictable moment that lies ahead. The available Full-Time 4-Wheel Drive and locking centre/rear differential give you the power and control you need to take on every type of trail. For unruly terrain, 4Runner comes equipped with a standard Downhill Assist Control¹, and Active Traction Control gives you the added traction you need when handling descending slopes.

North London Toyota

FACE ANY CHALLENGE WITH CONFIDENCE.

APPROACH WITH CONFIDENCE

4Runner encourages you to take on the toughest trails. Up to 9.6 inches of ground clearance, an approach angle of 33 degrees and a departure angle of 26 degrees on 4Runner TRD Off-Road help keep the adventure going.

MULTI-TERRAIN SELECT

Available Multi-terrain Select allows you to choose from four modes that will regulate wheel spin by adjusting the engine throttle setting and braking pressure to provide you with maximum traction in various off-road situations.

CRAWL CONTROL

The available Kinetic Dynamic Suspension System (KDSS) and Crawl Control are meant to help keep optimal traction, even on uneven terrain. KDSS automatically adjusts the suspension system for better wheel articulation, while Crawl Control automatically modulates the throttle and brakes on five low-speed settings.

LEVER-TYPE TRANSFER CASE

4WD vehicles require a system to transfer power from the transmission to all four wheels. 4Runner TRD Off-Road has a lever-type transfer case that allows you to easily switch to low range to help clear the roughest challenges.

PEACE OF MIND INCLUDED

SAFETY DESIGNED AROUND YOU.

Your safety is our top priority. That's why the 2019 4Runner comes standard with advanced active and passive safety technologies designed to give you the confidence and peace of mind you need. 4Runner comes standard with 8 airbags, Active Front Headrests with Whiplash Protection, and Toyota's Star Safety System™, which includes Smart Stop Technology, Vehicle Stability Control, Anti-lock Brake System, Traction Control, Electronic Brake Force Distribution, and Brake Assist.

WARRANTY

No deductibles. No transfer fees.

COMPREHENSIVE COVERAGE 3 YEARS OR 60,000 KM

This warranty includes 24 hour Roadside Assistance and other benefits, as well as coverage of repairs on any part of the vehicle that is defective in material or workmanship under normal use and maintenance. Different warranties apply to original tires.

POWERTRAIN COMPONENTS 5 YEARS OR 100,000 KM

This warranty covers repairs to powertrain components that are defective in material or workmanship under normal use and maintenance.

MAJOR EMISSION CONTROL COMPONENTS 8 YEARS OR 130,000 KM

This warranty covers repairs to specified major emission components that are defective in material or workmanship under normal use and maintenance.

CORROSION PERFORATION 5 YEARS/UNLIMITED DISTANCE

This warranty covers any sheet metal found, under normal use, to have developed a perforation from corrosion due to defects in material or workmanship.

DISCLAIMERS

(1) DAC is designed to help the driver maintain vehicle control and speed on steep downhill descents. HAC is designed to help minimize backward rolling on steep ascents. This system is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether DAC and HAC will be effective in preventing a loss of control. (2) Fuel efficiency estimates were determined using approved Government of Canada Test Methods. Actual fuel consumption will vary based on driving habits and other factors.

Details on the above features can be found in the Owner's Manual or contact your local Toyota Dealer.

Toyota Canada Inc. Every effort has been made to ensure the specifications and equipment shown are accurate based on information available at time of printing. In some cases, certain changes in production capacity, standard equipment, options or product delays may occur which would not be reflected in this brochure. Toyota Canada Inc. reserves the right to make these changes without notice or obligation. The Toyota website toyota.ca – or your Toyota Dealer is your best source for up-to-date information.
